## **Motor Age**

Now that people are starting to see that karting is the perfect training ground for professional racers of all stripes—as well as a not-so-expensive alternative to full-scale road racing and oval track racing—it's become the fastest-growing motorsport in the U.S. and the world. For the novice confronted with a

bewildering array of choices—kart types and classes, road racing, sprint track racing, oval racing—this book offers answers. The best single resource on kart racing, *Karting* will teach you the ins and outs of the sport, from choosing a class and kart to selecting safety equipment to performing maintenance and mastering racing techniques that will get you up to speed on the track.
