The wait for The Mueller Report is over. This strikingly designed edition has been prepared by expert typographers – allowing for an optimised, immersive reading experience. "From the moment [the report] was published, two separate news universes took shape. In one, the special counsel's report was presented as a smoking-gun chronicle of high crimes and misdemeanours. In the other, it was heralded as a credibility-shredding blow to the president's opponents."—The Atlantic Make up your own mind. The Mueller Report is a must read political blockbuster.

Bill of Rights in Action

Thirty years ago, Anglo-American politicians set out to make the public sector look like the private sector. These reforms continue today, ultimately seeking to empower elected officials to shape policies and pushing public servants to manage operations in the same manner as their private-sector counterparts. In *Whatever Happened to the Music Teacher?*, Donald Savoie provides a nuanced account of how the Canadian federal government makes decisions. Savoie argues that the traditional role of public servants advising governments on policy has been turned on its head, and that evidence-based policy making is no longer valued as it once was. Policy making has become a matter of opinion, Google searches, focus groups, and public opinion surveys, where a well-connected lobbyist can provide

any answers politicians wish to hear. As a result, public servants have lost their way and are uncertain about how they should assess management performance, how they should generate policy advice, how they should work with their political leaders, and how they should speak truth to political power - even within their own departments. Savoie demonstrates how recent management reforms in government have caused a steep rise in the overhead cost of government, as well as how the notion that public administration could be made to operate like the private sector has been misguided and costly to taxpayers. Abandoning "textbook" discussions of government and public service, *Whatever Happened to the Music Teacher?* Is a realistic portrayal of how policy decisions are made and how actors and institutions interact with one another and exposes the complexities, contradictions present in Canadian politics and governance.

The Budget of the United States Government for the Fiscal Year Ending June 30 [1924]-

Strengthen family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, this fourth edition of a bestseller provides tools and guidelines to use to develop more effective and equitable programs of family

and community engagement. Written by a team of well-known experts, this foundational text demonstrates a proven approach to implement and sustain inclusive, goal-oriented programs. Readers will find: Many examples and vignettes Rubrics and checklists for implementation of plans CD-ROM complete with slides and notes for workshop presentations
