### Best Bro

The fascinating memoir of a Hollywood life and an inside look at a life-changing role and the groundbreaking Lord of the Rings films that captured the imagination of movie fans everywhere. The Lord of the Rings is one of the most successful film franchises in cinematic history. Winner of a record eleven Academy Awards--a clean sweep--and breaking box office records worldwide, the trilogy is a breathtaking cinematic achievement and beloved by fans everywhere. For Sean Astin, a Hollywood child (his mother is Patty Duke and stepfather is John Astin)

who made his feature film debut at 13 in the 1980s classic *The Goonies* and played the title role in *Rudy*, the call from his agent about the role of Samwise Gamgee couldn't have come at a better time. His career was at a low point and choice roles were hard to come by. But his 18-month experience in New Zealand with director Peter Jackson and the cast and crew of *The Lord of the Rings* films would be more than simply a dream-come-true--it would prove to be the challenge of a lifetime. *There and Back Again: An Actor's Tale* is the complete memoir of Sean Astin, from his early days in Hollywood to the role that changed his life. Though much has been written about the making of the films, including the techniques and artistry employed to bring Tolkien's vision of life and the various relationships between castmembers, the real story of what took place on the set, the harrowing ordeals of the actors and the unspoken controversy and backstage dealings have never been told. Sean's experience and candid account of his time filming in New Zealand is unparalleled. More than a companion guide to the Ring films, *There and Back Again* filled with stories from the set and of the actors involved that have never been revealed before and is an eye-opening look from a Hollywood veteran at the blood, sweat and tears that went into the making of one of the most ambitious films of all time.

### **IWanna Stay !**

As a busy teen star, Reed Alexander's life is a balancing act. Several years ago, as he juggled career commitments and school, he lost sight of how to eat right, became overweight, and as a result, was exhausted and lethargic. Too tired to keep up with his hectic schedule, he decided to reclaim his health by changing his diet. A can-do guy, his first step was to

learn how to cook for himself. Unable to find any recipes suited to a teenager's tastes, he rolled up his sleeves and set to work in his kitchen, developing healthy versions of the foods he loves. Along the way, he became a dedicated cook, sharing his culinary discoveries with his fans and friends on his Web site, KewlBites.com. Since then, Alexander has gained a cultlike following of both teen cooks and their parents. Inspired by the number of lives he has touched, Alexander has created 100 slimmed down, kid-tested, mother-approved alternatives for the foods teens love. In KewlBites(TM), Reed Alexaner improves the health profile of such standard teen fare as sliders, chips, chicken fingers, tacos and fries, and he aims to expand the dinner menu to include such dishes as a Margherita Frittata, Oriental Chop Slaw, and Kewl and Breezy Shrimp Rolls. Throughout, he shares the tips, tricks, and methods he used to strip his favorite dishes of their unhealthy ingredients and replace them with flavorful, nourishing ones. He also offers up advice on how to make a shopping list, navigate the grocery store, and choose the freshest ingredients possible.

### **All Washed Up**

The Backyardigans are on a mission to Mars! A strange signal has been coming from the Red Planet, so Pablo, Uniqua, and Austin blast off into space to investigate. At first all they see are rocks, craters, red soil, and a lake. But they soon discover they're not alone!

### **Nickelodeon**

Meet Carly Shay, the teen star of her own popular web show, iCarly, which she produces with her two best friends, Sam and Freddie.

### **The Berenstain Bears and Too Much Vacation**

Move over, Miley, there's a new teen queen in town. At sixteen, Miranda Cosgrove can do it all: she's got major film experience (in 2003's "School of Rock"), a budding music career (with four hit singles and an album underway), and after a major role on "Drake & Josh," she was granted every young star's wish - a new TV show tailor - made to showcase her talent. Created by Nickelodeon's visionary producer Dan Schneider, "iCarly" is a zany sitcom about three friends who start their own webcast, where they perform skits and stunts, and showcase their viewers' wild and wacky talents. Schneider called his creation a show where "kids win, " and appropriately, "iCarly" is winning the ratings race drawing nearly 8 million viewers per episode as the number one scripted show for kids and tweens. But fans aren't just watching. Kids have submitted over 100,000 of their own videos to iCarly.com to be featured on the website and even on the show itself. The first book to focus on Nickelodeon's crown jewel, "The Miranda Cosgrove and iCarly Spectacular!" also includes: the story behind "Drake & Josh" and the creation of "iCarly" a comprehensive guide to Miranda Cosgrove's career including her music and acting cast bios for the co - stars of "iCarly" and "Drake & Josh" an "iCarly" episode guide fun facts, highlights of fan - created

content, and the cast's Twitter commentary tons of colour photos of these rising stars and their on - set antics Voted best TV show in 2009 at the Kids' Choice Awards, fans can't get enough of "iCarly." "The Miranda Cosgrove and iCarly Spectacular!" is the essential full - colour guide to this unstoppable Emmy - nominated TV sensation and the girl at the heart of the show.

### **The Last Book on the Left**

COMING SOON TO NETLFX! The Shoplifters Anonymous meetings that sixteen-year-old Moe is forced to attend are usually punctuated by the snores of an old man and the whining of the world's unhappiest housewife. Until the day that Tabitha Foster and Elodie Shaw walk in. Tabitha has just about everything she wants: money, friends, popularity, a hot boyfriend who worships her and clearly a yen for stealing. So does Elodie, who, despite her goodie-two-shoes attitude pretty much has "klepto" written across her forehead in indelible marker. But both of them are nothing compared to Moe, a bad girl with an even worse reputation. Tabitha, Elodie, and Moe: a beauty queen, a wallflower, and a burnout—a more unlikely trio high school has rarely seen. And yet, when Tabitha challenges them to a steal-off, so begins a strange alliance linked by the thrill of

stealing and the reasons that spawn it. Hollywood screenwriter Kirsten Smith tells this story from multiple perspectives with humor and warmth as three very different girls who are supposed to be learning the steps to recovery end up learning the rules of friendship.

In this international bestseller, father and advocate for Autism awareness Arthur Fleischmann blends his

daughter Carly's own words with his story of getting to know his remarkable daughter—after years of believing that she was unable to understand or communicate with him. At the age of two, Carly Fleischmann was diagnosed with severe autism and an oral motor condition that prevented her from speaking. Doctors predicted that she would never intellectually develop beyond the abilities of a small child. Carly remained largely unreachable through the years. Then, at the age of ten, she had a breakthrough. While working with her devoted therapists, Carly reached over to their laptop and typed “HELP TEETH HURT,” much to everyone’s astonishment. Although Carly still struggles with all the symptoms of autism, she now has regular, witty, and profound conversations on the computer with her family and her many thousands of supporters online. One of the first books to explore firsthand the challenges of living with autism, Carly’s Voice brings readers inside a once-secret world in the company of an inspiring young woman who has found her voice and her mission

### **I Am famous!.**

An equal parts haunting and hilarious deep-dive review of history’s most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and

supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, *The Last Book on the Left* will satisfy the bloodlust of readers everywhere.
